- Barb the Shark {ar}
- The Storm {or}

5 Lists of Fluency Phrases and Data Sheets {er, ir, or, ar, ur}

These fluency phrases were created to be used in guided reading groups, but you can use them as you wish. During our guided reading group time I give each student the same list (these students are working on the same skills).

They then whisper read each phrase. I listen carefully, and help students with words as needed. Each time they read the phrase, they check off one of the three boxes. I usually check off the last box or students read the sentences to a friend to check off.

Bossy R Cards

In my classroom I use letter cards to help my students identify letter sounds and combinations. When I hold up the letters "ar" my students must say "ar says /ar/". As always, use them as they fit your needs!!
